Call to Order
A special meeting was called to order at 5 PM by Mayor Berta Churchill.

Carla Hubbard and Betty Farris, President & Vice-President of the Elgin Ambulance Service, were present to go over the revised bi-laws. The original bi-laws were revised on March 22, 1999 with Joe Garlitz, Recorder/Administrator, initialing them on May 13, 1999.

Councilor Stover recommended that a copy of the old and revised bi-laws be presented so the council could review any changes that were made for approval.

Carla Hubbard asked the council members if there was going to be any more scholarships for future EMT's. Councilor Stover and Councilor Clark both thought that monies could be made available for a couple more at the September council meeting. This will be put on the September agenda.

Councilor Clark asked Carla and Betty if an ambulance crew member would start coming to the council meetings on a regular basis. Maybe they could take a turns. They both agreed that that could be arranged.

Carla and Betty informed the council that the crew has been having personnel problems with one EMT. The council went into discussion and decided to look further into the allegations.

Mayor Berta Churchill moved to adjourn, with Councilor Braughton as second. The vote was unanimous for approval, motion carried.

Minutes respectfully submitted,

Vicki Weaver
City Clerk
